Good Afternoon Ladies,

I realized today that I failed to get official approval of our 2020-2021 budget at our PTA/Joint Council Meeting last night - September 28, 2020. I have attached the budget for everyone to review again and am hoping that we can approve the budget via email. If someone would be willing to make the 1st and 2nd motions of approval by replying to all, I would really appreciate it. We will do the final approval after the motions have been made.

Eloise, once this process has been finished, I will print the email chain to be included in the minutes.

Thank you everyone, and I'm sorry for such a silly blunder!
